

Use of Personal Information and Photographs

The Committee of Information Media of the Graduate School of Human Development and Environment advertises for prospective students as well as the public by means of various public medium, in particular, the Graduate School's official website <http://www.h.kobe-u.ac.jp>. It is important for us to post more realistic and concrete information to represent our daily research and education activities diversing into many different areas.

We would be very happy if you could agree that our Graduate School can use your photographs including personal photographs, videos, basic personal information (e.g., names and affiliations), and research or educational information for the purpose of our Graduate School publicity. If you grant us the requested permissions as described above, please fill in and check boxes on the following consent letter. Therefore, we are able to carry out the parts of the duty by your information permitted with it.

Thank you for your cooperation,

Sincerely,

Graduate School of Human Development and Environment, Kobe University
